

SONG- Walk like a Munchkin

[SOLO 1]

All the big bright flowers in the land,
We dance around, oh, join our band.
If you hop too high **(oh way o)**
You're floating over— Munchkin Land

Every Munchkin here—in the East,
Glinda's magic, hasn't ceased.

Ruby slippers click *(oh way o) they snap together, you can bet.*

Toto barks and we all play, say **(way-o, way-o, wayyyy-o-ayyy-ooooo)**

Walk like a Munchkin.

(Dance Break 1)

[SOLO 2]

The Good Witch waves and clears the way.
She twirls her wand and she lights the way;
She's got the grace. **(oh way o)** You drop your fear,
then she whispers "play"

All the Munchkins with songs to sing,
praise the fall of the wicked thing.
When the house fell down, **(oh way o)**
We're cheering just like a Munch-a-kin.
All the folks under rainbows say hey:

(way-o, way-o, wayyyy-o-ayyy-ooooo)

Walk like a Munchkin.

(Dance Break 2)

(ALL)

Na na na na, Na na na, Na na na, na na na na na (2 times)

[SOLO 3]

Tip your hat; twirl your dress, bend your knees,
Give-a-laugh, then drop the stress.
Life's a joy, you know, **(oh way o)**
So hold your friends, feel their happiness!

If you're looking for a tale to keep, over the yellow bricks you leap.
We sing and dance, **(oh way o)** We guide the girl, through adventures deep.
All the munchkins with Glinda near, Toto too, and Dorothy here,
And the magic flows, **(oh way o)**
They walk just like a Munch-a-kin.

Gettin' to the wizards land say: **(way-o, way-o, wayyyy-o-ayyy-ooooo)**

Walk like a Munchkin
Walk like a Munchkin.

SONG – I'm a Witch

[SOLO 1]

I curse the world today
You think I'm bad, I know, but I will not change
Tried to tell you but you look at me like maybe
I'm a sorceress underneath
Evil and so mean

Yesterday I flew
On a broomstick, Oh, You saw my darker hue
I can understand how you'd be so bewildered
I don't envy you
I'm a little bit of evil-zing all rolled into one

[ALL]

I'm a witch, you'll discover
I'm the devil under cover
I'm a villain, I'm a freak
I revel in your screams
I'm your doom, I'm your dread
I'm the voices in your head
You know you wouldn't want it any other way!

[SOLO 1]

So, take me as I am
This'll mean you'll have to dodge my evil plans
Rest assured that when I start to make you
tremble
And I'm going to extremes
Tomorrow will be worse, and I will haunt your
dreams!

[ALL]

I'm a witch, you'll discover
I'm the devil under cover
I'm a villain, I'm a freak
I revel in your screams
I'm your doom, I'm your dread
I'm the voices in your head
You know you wouldn't want it any other way!

Dance Break

[SOLO 1]

Just when you think, you've got my-plot figured
out, the season's already changing
You think it's cruel, I do what I do
But don't try to brave me

[ALL]

I'm a witch, you'll discover
I'm the devil under cover
I'm a villain, I'm a freak
I revel in your screams
I'm your doom, I'm your dread
I'm the voices in your head
You know you wouldn't want it any other way!

I'm a witch, I'm a curse
I'm a hex, verse by verse
When you hide, when you cower
I'm the shadow ridden tower
I've been dark, I'm revived
Can't say I'm not alive
You know I wouldn't want it any other way

Flying Monkeys (Oooooo)

SONG- We built This City of Emeralds

[SOLO 1]

Say you don't know us, or recognize our glow
Say you don't care for magic, that we like to show
High above the poppies, shimmering in light
Too many rainbows, making spirits bright

The Wizard rules with wisdom, listen to his mighty words, don't you remember?
We built this city, we built this city of em-'ah'-rald

[ALL]

We built this city, we built this city of em-'ah'-rald
Built this city, we built this city of em-'ah'-rald

[SOLO 2]

Fairies always dreaming, playing lots of games
Who cares, were always chasing, operation fame
We just want to shine here, someone lit the spark
They call us all enchanting, lighting up the dark

The Wizard rules with wisdom, listen to his mighty words, don't you remember?
We built this city, we built this city of em-'ah'-rald

[ALL]

We built this city, we built this city of em-'ah'-rald
Built this city, we built this city of em-'ah'-rald

It's just another sunrise, on a ever-gleaming street
Magic fills the whole place, oh--, the heart of Ozzy beats

[SOLO 3]

Who counts the comets, above the night so far?
Who brings the shooting stars, where our spirits are?
Don't tell us you doubt us, 'cause we're the land of jewels
Looking for your fantasies, where the wizard rules!
(Radio Voice)
Don't you remember? (*member, member*)
(Radio Voice)

The Wizard rules with wisdom, listen to his mighty words, don't you remember?
We built this city, we built this city of em-'ah'-rald

[ALL]

We built this city, we built this city of em-'ah'-rald
Built this city, we built this city of em-'ah'-rald
Built this city, (*Woo hoo*) we built this city of em-'ah'-rald
Built this city, we built this city of em-'ah'-rald

[ALL]

We built, we built this city, yeah (Built this city)
We built, we built this city
We built, we built this city yeah (Built this city)
We built,

WE BUILT THIS CITY!!!
